PRESIDENTIAL PRAYER TEAM ANNOUNCES “ADOPT OUR TROOPS” PRAYER EFFORT UPGRADES

TUCSON, AZ—The Presidential Prayer Team announced today a major expansion of the “Adopt Our Troops” effort. This campaign to enlist people to pray for our soldiers was launched one year ago at the beginning of the Iraq war. More than half a million people are praying daily by name for nearly 150,000 members of our Armed Forces.

The new upgrade to the program will allow those who have registered troops for prayer to provide specific updates on the status of those servicemen and women to the people who are praying for them each day. Those who have registered to pray will receive email links to the updates on their individual members of our Armed Forces.

“This is an exciting development for prayer for our troops,” said John Lind, president of The Presidential Prayer Team. “The Adopt Our Troops program has already been a blessing to so many over the past year. Now with the largest troop rotation in American military history nearly complete, there are many whose status has changed, and many more who need prayer now more than ever.”

Anyone wishing to register a troop for prayer or to register to pray for a member of the Armed Forces may do so at The Presidential Prayer Team’s website, www.presidentialprayerteam.org. For further information about the Adopt Our Troops program or to arrange interviews, contact Karen Randau at 928-474-9378.

The Presidential Prayer Team is a non-profit, non-partisan effort dedicated to informing and encouraging people to pray daily for the President and our nation. Membership is free and open to anyone who is willing to commit to pray each day. Members receive weekly prayer updates, access to prayer resources on the Internet, and a membership decal.
